Dear Chesapeake Professional Women's Network,

On behalf of The S.A.G.E. Group, we would like to extend a sincere thank you to everyone in your organization for all of your wonderful support over the years, and especially the generous donations awarded to our program. Because of your donations, we have been able to fund 100% tuitions, course and books fees for our clients such as Tracey Catchings, Rebecca Peters, and our most recent certificate graduate, Shelly Taylor.

Tracey continues to thrive in the healthcare profession as Certified Nursing Assistant and Shelly recently completed the Veterinary Assistant Certification at Harford Community College. This program consisted of a number of career courses that teaches the student essential knowledge and job skills such as animal husbandry, emergency care, nutrition, surgery, diagnostics, and more. The student also experience hands on learning in the classroom with a variety of animals, including cats, dogs, reptiles, small mammals, and a externship at Plumpton Park Zoo with large animals. **Shelly successfully completed the program and was named Salutatorian, just missing the Valedictorian honors by only a half of point.** Unfortunately, Shelly has not been able to seek employment yet because she was involved in an car accident shortly after that resulted in her fracturing her foot and having multiple bones broken which prevents her from standing long periods on her feet. She is currently under medical supervision and in physical therapy rehabilitation. We are thankful that Shelly is feeling better and wish her a speedy recovery because she is anxious to put her certificate to good use and pursue her passion of helping and caring for animals. **She continues to express how grateful to have had this opportunity and none of this would have been possible if it weren't for the generous donations from your organization.**

Once again, thank you CPWN for all your help and support. Along with our clients, we greatly appreciate it!

Kindest Regards,

Boo Chrismer, Executive Director

Lynn Jaquet, Program Coordinator and Marge Pearce, Coordinator
