The Advanced Eye Care team is led by ophthalmologist, Dr. Lisa Feulner. Widely respected in the community for her expertise as a comprehensive ophthalmologist, cataract and refractive surgeon as well as a provider of aesthetics treatments and services. At Advanced Eye Care, you will receive one of the most comprehensive eye exams possible, allowing us to quickly detect any signs of disease or abnormalities early on. In addition to assessing nearsightedness, farsightedness, astigmatism or other refractive abnormalities, we perform a thorough check for any sight threatening problems. Our optometrists use technologically advanced equipment to make your exam as comfortable and easy as possible.

Our full service optical boutique offers a wide selection of the finest quality and most popular designer frames at affordable prices. Our professional certified opticians have extensive experience in helping our patients select frames and contacts lenses that suit their individual style and needs and they work directly with the doctor to make sure your glasses or contacts give you the best vision possible.

The aesthetic offerings at Advanced Aesthetics and Med Spa can make you look and feel more youthful without surgery or down time. We use minimally invasive cosmetic options as Refirme Laser skin tightening and wrinkle reducing treatments, dermal fillers like Juvederm, Voluma and Radiesse or skin care systems like Obagi. CoolSculpting will freeze fat away without surgery, needles or down time. Whether to enhance your appearance or renew your sense of well-being, Advanced Aesthetics and Med Spa is committed to helping you enhance your appearance.
