Dr. Kendal E. O'Hare graduated cum laude with a major in Biology from Birmingham-Southern

Since moving to Maryland in 2014, she joined the MedStar Family Medicine Residency where she was faculty as an assistant professor at Georgetown University School of Medicine training residents and teaching medical students.

Peter O'Hare, III, MD, is a board-certified Ob/GYN and urogynecologist who specializes in female pelvic medicine and

reconstructive surgery at MedStar Franklin Square Medical Center. He was recently named one of Baltimore's Top Docs for 2018. Dr. O'Hare specializes in minimally-invasive surgery, including vaginal, laparoscopic, and robotic reconstructive procedures for conditions such as urinary incontinence, fecal incontinence, pelvic organ prolapse, and vaginal fistulae. His clinical interests also include therapies for urinary incontinence such as slings, neuromodulation (interstim) and botox injections. His training has also focused on advanced treatments for interstitial cystitis, vulvodynia and pelvic floor muscle disorders

In case you missed it - last month at **510 Johnny's** we had a record turnout for March! Maybe it was the sunny weather or perhaps it was everyone wanting to shake off the winter doldrums (and rain!) and connect with some of the most dynamic women in the area! Many thanks to Sheriff Jeff Gahler for taking the time to talk to us about so many issues in our county and country today such as workplace safety, gun laws, and pending legislation. 510 Johnny's and our events committee did an awesome job of taking care of us. And thank you to Michele Alessi of Dr Jeffrey Horowitz's office for sponsoring and for the special giveaways.
