### **June Sponsor - Georgie London, ZENgevity Body-Brain-Balance**

Dr. Georgia Lee London is an online marketing and business strategist, fiercely committed to guiding women new to the online business world achieve a profitable and purposeful lifestyle, so they can have the life and retirement of their dreams.

She helps online entrepreneurs and small business owners strategically use FB Live and FB Groups to gain more visibility, grow their business and make more money. Additionally, Dr. Georgia created

ZENgevity, a Brain Fitness program that now has over 1700 certified teachers.

Three things about her that might surprise you:

- 1) She hiked to the bottom of the Grand Canyon and made it back out. That's 55,000 steps to the bottom and 55,000 back up. Descending the canyon in 3 hours, the vertical climb took 11 hours to get out.
- 2) Her scariest moment was when a gun was pulled and aimed at her face at a crack house. She lived.
- 3) She gave birth to her first son in a car and didn't name him Carson. Her second son was born in an elevator. Her third son weighed over 10 lbs., enough said.
