## September Sponsor - Patti Dresher, Katherine's Keepers

Patti Dresher is one of three partners of Katherine's Keepers, Harford County's only locally woman-owned, fully licensed, level three home care agency. When Dresher and her two original business partners, Carole Matejevich and Trish Getz, passed their survey from the State of Maryland in October 2013, they were just starting out but saw a growing need for the home care agency. Five and a half years later, Trish retired and Carole and Patti welcomed Patti's daughter, Megan, as a third partner. Katherine's Keepers now employs over 100 people and has cared for over 400 families. Patti says the group prides itself on supplying wonderful nurse oversight and open lines of communication to clients and caregivers.

Katherine's Keepers strives to provide high quality, patient-centered care in the comfort of the home setting. Dresher says the organization is built on the belief that everyone deserves to be cared for in a dignified manner while nurturing the whole person...mind, body, and spirit.

## A note from the president...

In the spirit of being involved in the community, the Fashion Show is right around the corner. Sponsor the fashion show, attend the fashion show, and donate an item for the auction; there are many ways to help. All proceeds from this event go to women's charities in our county helping women in the work place. CPWN has donated over \$230,000 since the fashion show began 21 years ago!

Looking forward, Gaye Hanson is our speaker in September. I have personally seen her speak. She will make us laugh, she will make us cry and ultimately she will inspire us to find our balance.

## What you missed last month...

August was a great opportunity to network for the entire evening. The location was beautiful and the food was wonderful. Our sponsor, Coral Phillips of Allied Phillips HVAC, not only told us about her business but also inspired us to help more in our community. Her words, "when you see a woman and her crown is slipping, reach up and straighten it out for her" are words we all can live by.
